DAYS 3 JAMNAGAR - MORBI

Meals: Breakfast / Lunch / Dinner

Today After Breakfast Visit AJANTA CLOCK FACTORY Ajanta Limited, Better Known By The Brand Name ORPAT, Situated In Morbi (Gujarat), Has A Built-Up Area Of 15,00,000 Sq. Ft. The Company Currently Provides Employment To More Than 4000 Employees (90% Of Which Are Female Employees). This Enormous Volume Of Infrastructure Helped The Company In Achieving Big Goals Since Years. And Now The Company Stands On A Strong Ground And Has The Credit Of World's Largest Clock Manufacturer As Well As The Only Company In India That Manufacturer Calculators And Educational Toys And The Market Leader In The Telephones Manufacturing. After We Visit CERAMIC INDUSTRY Morbi To An Extent That It Is Recognized Worldwide As Ceramic Hub Of India. The Initiation Phase Of Ceramics In India Is Very Interesting. It Started In 1913 With An Idea Clicked To Mr. Shorab Dalal As He Saw A Traditional Smoking Pipe At Thangadh Railway Station. The Idea Inspired Him To Venture Into Ceramics. He Was The Pioneer Who Planted Roots Of Gujarat Ceramics With Roofing Tiles Industry In Thangadh Without Having Any Predefined Path And A Predictable Destination. It Was Only His Obsession Which Led Him To Experimentation & Exploration By Establishing Unlimited Scope In Ceramics. Continuing The Journey Ahead, In 1934, Late Sri Parshuram Balwant Gunpule Took Over That Roof Tiles Factory With A Great Vision And Desire To Succeed. During The Decade 1930 To 1940, For Getting The Required Expertise & Know-How, He Invited Ceramic Technicians From Other States. With This, He Ventured Into Business Of Potteries With Inception Of New Pottery Units In Jabalpur And Nagpur. Stay Overnight At Morbi .
